**ABOUT US:** LN Design Co. is a Minneapolis-based graphic design studio founded in 2017. Our designers enjoy developing a deep knowledge of our clients, applying our expertise to help bridge gaps in understanding or action between an organization and its audience with fresh perspective and effective communication and design. With expertise in developing brands and designing visual systems for clients in a variety of industries, we are also especially experienced working within the State of Minnesota brand guidelines. We are a certified women-owned business by the State of Minnesota.
